Passbook Printing Kiosk

Banks are one of the busiest public access facilities. They require a large worker fleet to be able to provide their services in every part of the country. Banks can reduce costs and increase efficiency and customer satisfaction with the use of our self-operated banking kiosks that enable customers to perform various cash and non-cash transactions like money transfer, printing account statements, cheque book request, bill payments, resolving queries, etc.

PASSBOOK UPDATION KIOSK

- Automated passbook printing
- Integrated with magnetic strip to recognize account details
- Round-the-clock service from the BBIPL machines installed in e-lobby/ATM
- Reduced wait time
- User Friendly
